

INVITATION | OPEN ACCESS

 #ujlibrary

 @ujlibrary

In commemorating International Open Access Week, The University of Johannesburg Library invites you to a Webinar

Open Science and Open Data

Open access is a set of principles and a range of practices through which research outputs are distributed online, free of cost or other access barriers.

Speakers:

Prof Saurabh Sinha,
DVC for Research and
Internationalization,
University of
Johannesburg

**“Open data: the benefits
of research data
management (RDM)”**

Iryna Kuchma,
Open Access Programme
Manager: EIFL

**“Practicing Open
Science – what we have
learnt so far and what is
next”**

Mutali Lithole,
UJ Library: Research
Support

**“UJ Research Data
management: an
Overview”**

Date: **Tuesday, 27 October** | Time: 15:00 - 17:00
