

LECTURER

Department of Knowledge and Information Stewardship Faculty of Humanities

We invite applications for the above permanent post effective from 15 August 2022 or soon thereafter. Appointment will take place at the Lecturer level. The successful applicant will be expected to assume primary responsibilities in postgraduate research supervision as well as in information studies teaching. Specialist responsibilities will include teaching in the area of ICT design and application to knowledge and information stewardship.

Requirements:

- A PhD in any information related discipline
- A minimum of three years of teaching experience in higher education academic programmes
- Evidence of growing publications in a research area
- Evidence of postgraduate supervision
- Evidence of understanding of the current scholarly communication terrain
- Evidence of expertise in the design and application of digital technologies in the information stewardship environment

Advantageous:

Work experience as an information professional, would be advantageous. A focus in one of the following information-related areas would also be an advantage:

- Design (information architecture, RDF, business analysis, systems analysis)
- Development (Python, data visualisation, SQL, HTML, XML)
- Governance (data quality and security, intellectual property)

Responsibilities:

The successful candidate will be expected to:

- Supervise postgraduate research
- Teach at postgraduate and undergraduate levels
- Undertake research relevant to knowledge and information stewardship, and publish in recognised information and related journals
- Contribute to the administration of the department

The annual remuneration packages at Lecturer Level for 2022, including benefits: R805 385
